Thank you, Calvin and team, for the continued support and feedback.

We are in the process of reviewing the material provided and will respond in a timely manner. However, due to the holidays we have several persons out of office over the coming weeks. So, would like to kindly request a 30-day extension to the indicated 10-January-2022 response date.

Please let us know if you have any questions or concerns.

Thank you again and have a great holiday.

Best regards,
-Rebecca

Subject: EPA's follow-up comments on MCNEP's updated permit application

Hi Rebecca,

Please find the attached letter regarding EPA's follow-up comments on MCNEP's most updated permit application. Please let us know if you have any questions about this letter.

We couldn't upload a copy of the letter to the GSDT due to a glitch of the system but will do so when the issue is fixed.

Have a good weekend.
